

Of Time
Part Three: The Seventh Sage

by
The Crusader

DISCLAIMER AND INTRO

Please note. I do not own any characters, names, or anything belonging to anything related to "The Legend of Zelda" These things belong to Nintendo, so don't sue.

I wrote this screenplay while playing the game. On the one hand, it's a pretty literal adaptation. That is why this story comes as a trilogy. If all three of these were made into one movie, the movie would be over 4 hours long. On the other hand, I took MANY liberties when writing it, adding new scenes, making things happen that didn't actually happen.

A few things to alert you about in the first place. I made Link, Zelda, Saria, and Mido teenagers for the start. It fit my story purposes better. I also made Sheik a woman instead of a man. As for the rest. You'll have to read to find out.

For those of you who haven't read a screenplay, here are a few things to remember. This is a SPEC SCRIPT as opposed to a SHOOTING SCRIPT. You won't see too many camera directions here as that is never done in a spec script, whose purpose is simply to tell a story. INT means Interior, and EXT means exterior. (O.S.) means off screen dialogue. A slash (/) denotes a break in the lyrics of a song or poem. FLASHBACK IN denotes flashback.

Please take the time to read this. I really appreciate it.

FADE IN:

CHAPTER ONE

INT. KAKARIKO VILLAGE

Link sees the Villagers carry out their normal lives. He walks up to one of them.

LINK
Where is Sheik?

VILLAGER 1
Who?

LINK
The woman who helped you.

VILLAGER 1
Oh, her. The one with the weird outfit? She left as soon as she saw we were better.

LINK
Did she say where she was going?

VILLAGER 1
No. Why?

LINK
Nothing. Glad to see that you guys are okay.

INT. THRONE ROOM

Ganondorf meets with Kotake and Koume two UGLY WITCHES with pointy noses, big yellow eyes, and sharp talons. Kotake dresses in blue, while Koume dresses in blue.

KOTAKE
Son, the boy has destroyed 5 of your greatest monsters, and freed 5 sages. Why not kill him now?

GANONDORF
I will sacrifice whatever it takes to find these two missing pieces.

KOUME
Even your surrogate mothers?

GANONDORF

Yes. So you better hope that this boy never comes to the Spirit Temple, looking for the 6th sage.

KOUME

How could you be so cruel to us.

A FIREBALL forms in Ganondorf's hand.

GANONDORF

That's how.

Koume and Kotake run away.

EXT. HYRULE FIELD

Link sits on Epona. He takes out his Ocarina and plays "Saria's Song."

The IMAGE OF SARIA APPEARS. She smiles.

SARIA

Almost there, Link.

LINK

Not close enough I have no idea where to search for the sixth sage, and Sheik pulled her disappearing act again.

SARIA

Try the Gerudo desert beyond Lon Lon Ranch.

LINK

The Gerudo desert. But Ganondorf's people are-

SARIA

You will find the sage there. Rauru even said so.

LINK

Then I guess that's where I'm going. To Ganondorf's house of thieves?

SARIA

Don't be judgemental Link. I'm sure that not everyone in Gerudo agrees with Ganondorf.

LINK
Whatever it takes to find the last
sage.

SARIA
That's not the final sage.

LINK
What? There's a seventh? Will this
never end?

SARIA
Yes, she must be someone you know.
But go now, find the sixth.

Her Image fades.

SARIA (O.S.)
Take it one step at a time, Link.
Keep up the good work!

EXT. LON LON RANCH

Link rides his Horse around the ranch.

LINK
Someone I know or someone I used to
know?

He sees a dirt path in front of him.

EXT. DIRT PATH

Link rides uphill and sees a BROKEN BRIDGE. He dismounts.

LINK
End of the road for you again,
girl.

EXT. BROKEN BRIDGE

Link hookshots himself over to the other side. He sees the
Boss that he once saw in Kakariko. The Boss stands in front
of the tent.

BOSS
Those Gerudo thieves, they broke
the bridge. I want to fix it, but
all my workers are gone.

LINK
Gone? Where'd they go?

BOSS
They went to Gerudo's Fortress to
become thieves.

Link sees the giant FORTRESS tower over them. It's got
several holes for windows and entrances.

BOSS
I wanted to go after them, but
those guards patrol everywhere.

LINK
I'll find them for you.

BOSS
If you can do that, I'll reward you
somehow. I just want to know that
they didn't get captured.

INT. JAIL CELL

A Gerudo tosses one of the craftsmen into the cell with the
other three.

GERUDO
How dare you men defile our
fortress with your presence? And
then have the audacity to ask for
jobs?

She locks the door.

EXT. GERUDO FORTRESS

Link walks up the stairs that lead up to the fortress.
Suddenly a WHISTLE BLOWS.

Link sees several armed Gerudos surround him. Link takes out
his bo and arrow.

GERUDO
I don't advise that. For
trespassing we will take you to one
of our lesser prisons.

LINK
Exactly why I should fight back.

He pulls back on the arrow.

GERUDO
Go ahead, shoot. Every Gerudo here
will be after you until they kill
you.

Link lowers his bow.

INT. STONE PRISON

No gates, no bars, no locks. Just walls and two windows.

Link falls through the window in the ceiling.

GERUDO (O.S.)
Get in there and keep quiet!

Link looks up towards the other window and sees a wooden
shutter on it.

INT. STONE PRISON

Link fires his hookshot into the shutter of the window and
pulls himself towards it.

EXT. STONE PRISON

Link climbs out the window.

He jumps down and goes inside one of the many entrances.

INT. GERUDO FORTRESS PRISON

Link sees the cell up ahead. He smiles.

GERUDO
Halt! Intruder.

Link turns to see another Gerudo holds a spear at him.

INT. STONE PRISON

Link falls from the window.

LINK
That guy was kidding about these
Gerudos.

He takes out his hookshot.

EXT. STONE PRISON

Link drops down through window. He goes back to the entrance he used before, but then turns and goes through another one.

INT. GERUDO MEETING ROOM

Link walks in and ducks behind a crate. He sees six Gerudos sit around a table. They eat a roasted wild pig. The tallest and most muscular Gerudo, VARA, stands up.

VARA

Too many people are trying to get into the fortress.

GERUDO 1

No intruder lasts much longer than 3 minutes. What does it matter?

VARA

It matters because for so many years, no one would even think of trying to sneak in.

GERUDO 2

Then why so many intruders recently?

VARA

They must be after something. Bring this boy to me so that I can personally punish someone so foolish...

Vara sits down.

VARA

...and so brave.

INT. GERUDO MEETING ROOM

Link lights a bomb.

GERUDO 3

Do you think it's time to alert Lord Ganondorf?

GERUDO 2

That our security is waning? Do you have a death wish?

He throws it outside.

EXT. GERUDO FORTRESS

A bomb lands on the ground far from any Gerudos.

KABOOM!

INT. GERUDO MEETING ROOM

The Gerudos stand up.

GERUDO 3

No, but one thing's for certain,
whoever through that bomb has a
death wish.

They run out a back entrance, under a staircase.

INT. GERUDO MEETING ROOM

Link sees no one around. He takes to the staircase.

EXT. GERUDO FORTRESS

Link emerges from a hole in the ceiling. He leaps off the
roof onto the roof of another building.

EXT. GERUDO FORTRESS PRISON

Link jumps down through another ceiling hole.

INT. GERUDO FORTRESS PRISON

Link drops down from above. He sees no Gerudos, only the
Craftsmen in the cell.

CRAFTSMAN 1

You there.

Link goes over to the cell.

CRAFTSMAN 1

I have no idea where you come from,
but you must have a lot of guts to
make it past all the guards here.

LINK

Took more than guts.

CRAFTSMAN 2
If you can get us out of here,
we'll repay the favor somehow.

CRAFTSMAN 3
Just watch out, there are sure to
be guards around here, somewhere...

FOOTSTEPS sound from behind Link.

CRAFTSMAN 4
Look out!

Link sees Vara point swords at him. Link jumps and FLIPS over the Gerudo.

INT. GERUDO FORTRESS PRISON

Link and the Vara circle each other.

LINK
I don't hurt you.

Vara attacks and knocks Link back to the floor. She points her scimitars at Link's neck in a scissor fashion.

VARA
Don't take us so lightly.

Link busts a Deku Nut over her face. SMOKE clouds her eyes. Link pushes her off him and draws his sword.

LINK
Man, Hyrule Castle was a cinch
compared to this.

INT. GERUDO FORTRESS PRISON

Link and the Gerudo fight. The Craftsmen CHEER him on. In a quick series of moves, Link disarms the Gerudo and forces her up against a wall.

He holds his sword over her face.

The Gerudo throws the keys next to the cell. One of the craftsmen picks it up.

INT. GERUDO FORTRESS PRISON

The Craftsmen run away. Link still holds the sword at the Gerudo's face.

LINK
You made a good choice.

VARA
Now its your turn to make one. To
get past the guards here, you must
have good thieving skills.

LINK
You ladies are the professionals
down here, not me.

VARA
But you have taught us a valuable
lesson. We should thank you, not
kill you. But I cannot reward you
if you stick that in my face.

Link lowers his sword.

VARA
What are the chances of you putting
that back in the scabbard.

LINK
Absolutely none.

VARA
Fine.

INT. GERUDO MEETING ROOM

Link and the rest of the Gerudo stand around the table.

VARA
We understand that this man is
considered one of us, now?

The Gerudo nod their heads.

VARA
Good. Then let us feast to show our
friendship.

They sit down except for Link.

LINK
I thought the Gerudos believe that
all men are useless, besides
Ganondorf?

VARA

I no longer believe that. Neither did our leader, Nabooru, when she was here.

LINK

Your leader. That makes her Ganondorf's second in command.

VARA

But ever since she went to the Spirit Temple at the end of the desert, she hasn't been back.

LINK

The Spirit Temple? That's where I need to go.

GERUDO 1

To get there, you would need the Eyes of Truth to see the Ghostly Guide.

LINK

I have the lenses.

GERUDO 2

And a certain pair of shoes that allow you to walk through the River of Sand.

VARA

That we cannot help you with. But now that you are one of us, we will open the gate for you. That is, if you are willing to trust us.

LINK

How do I know that you won't alert Ganondorf of my presence here?

VARA

If he learns that you slipped past us, he'll kill us first.

Link sits down with them. Vara passes him a piece of bread.

EXT. GERUDO FORTRESS

Link walks away. The Gerudo wave to him.

EXT. GERUDO FORTRESS

The Gerudo WHISPER to each other.

GERUDO
What could he possibly want at the
Spirit Temple?

CHAPTER TWO

EXT. BROKEN BRIDGE

Link meets with the Craftsmen and their Boss by their tent.

CRAFTSMAN 1
We were really interested in
joining their all-female group, but
they locked us up like this, just
because we're men.

LINK
They may eventually change their
mind about that.

BOSS
You boys made the right decision by
joining back with me. Now we can
fix that bridge.

CRAFTSMAN 2
How should we reward this man for
saving us?

LINK
I'm going to be going into the
desert soon. Though I'm told I
can't get in there.

BOSS
Wait here.

The Boss goes inside the tent.

EXT. BROKEN BRIDGE

The Boss comes back out with a box. Link opens it to find a
pair of LIGHTWEIGHT SHOES with split toes.

LINK
Where did you get these?

BOSS

Some woman in a strange outfit gave them to me. Said that someone would come along who might need them.

LINK

Where did you last see this woman?

BOSS

Not long ago. She jumped down that river and took off.

Link looks down below the bridge and sees the river.

LINK

Thanks for the shoes. Hold them for me, please.

BOSS

Where are you...

Link leaps off the cliff.

BOSS

Look out.

EXT. RIVER

Link surfs on his shield on the surface of the water. He comes to a waterfall.

EXT. LAKE HYLIA

Link comes down the waterfall and falls into the water.

The Doctor approaches from a boat.

DOCTOR

Ah-hoy there, Sonny.

Link comes out of the surface. The Doctor holds his hand out.

DOCTOR

You crazy kids, always trying to show off out here.

INT. LAKE HYLIA SHORE HOUSE

Link wrings out his hat. The Doctor mixes chemicals together.

DOCTOR

So you mean to tell me that you're the same kid who saved my life seven years ago. Where have you been?

LINK

You wouldn't believe me if I told you? What about you? Still making these potions.

DOCTOR

Yes, I'm researching the process of making medicine by mixing lake Hylia's water with various unusual compounds.

The Doctor takes out a RED POTION in a bottle.

DOCTOR

I figure this is the least I can do for what you did for me.

LINK

What's it do?

DOCTOR

Not exactly sure. But I've used it to wake people out of unconsciousness.

Link takes the bottle.

LINK

Thanks Doc. Say, you wouldn't happen to have seen any strange women around here, have you?

DOCTOR

No, why? You looking for a date, there, Sonny?

EXT. LAKE HYLIA SHORE HOUSE

Link walks out.

LINK

Okay, that's enough of this goose chase.

EXT. GERUDO FORTRESS

Link walks past the fortress to a GIANT GATE.

EXT. GERUDO DESERT GATE

A Gerudo paces back and forth in front of the gate. She sees Link come to her.

EXT. GERUDO DESERT GATE

The Gerudo claps her hands together. The Gate opens.

Link puts on the lightweight shoes and walks ahead.

EXT. HAUNTED WASTELAND

Link walks across a barren desert. A powerful wind beats down on Link as he walks towards a pit of quicksand.

Through the raging winds, Link can just barely make out a STONE TOWER up ahead.

EXT. HAUNTED WASTELAND

Link walks on the quicksand. His feet do not sink at all. Sand and stone begins to fly into his face. He raises his shield to block it.

The wind blows so hard that the shield falls away from Link and into the quicksand. The shield sinks at a rapid rate.

EXT. HAUNTED WASTELAND TOWER

Link climbs up the stairs towards the top of the tower. He uses his hat to wipe the sweat and blood off his face.

EXT. HAUNTED WASTELAND TOWER

Link makes his way up to the top and catches his breath. He hears GHOULISH LAUGHTER.

Link looks through the Lenses of Truth and sees a GREEN GHOUL fly in the sky. Link takes out his bow.

GHOUL
I am the Ghostly Guide.

Link lowers his bow.

GHOUL
Going there, I'll show the way/ but
coming back, I won't play. Follow
me wherever I go/follow me and
don't be slow.

EXT. HAUNTED WASTELAND TOWER

Link follows the Ghostly Guide down the stairs.

EXT. HAUNTED WASTELAND TOWER

The Ghostly Guide leads Link through the desert. GREEN SLIMY CREATURES emerge from the sand and come at Link. He steps around them and keeps the Eyes of Truth on the Ghostly Guide.

EXT. HAUNTED WASTELAND

Link follows sees a giant TEMPLE in the distance. It rivals Ganon's Tower in size.

EXT. DESERT COLOSSUS

Link walks towards the entrance of the temple. He sees a giant STATUE of a half-snake, half-woman. Hewalks inside.

INT. SPIRIT TEMPLE

Link takes the spectacles and shoes off. He shakes the sand out of his shoes.

INT. SPIRIT TEMPLE

Link sees a staircase in front of him, between two SNAKE STATUES. He notices an encrypted message on one of them.

LINK
"To find the key to your path, you
should return here with the heart
of a child." Hmm.

INT. SPIRIT TEMPLE

Link walks up the stairs and sees a huge SILVER BLOCK in the way of a tunnel. He tries to push it but can't.

INT. SPIRIT TEMPLE

A crawlspace peeks out a wall to Link's left. He goes over to it and tries to squeeze in, but again, he can't.

LINK
Heart of a child, huh?

EXT. DESERT COLOSSUS

Sheik stands by the entrance. She sees Link walk toward her.

LINK
Finally. I've been looking all over for you. How could you leave without a clue of where to look next?

SHEIK
And cheat you of the learning experience of getting to this place?

LINK
You wanna know what that experience was like? Crossing a barren desert? Sneaking into the Gerudo fortress? Breaking bread with the enemy's own people?

Sheik takes out a flask of water and gives it to him. Link chugs it down.

SHEIK
One of the enemy is the next sage.

LINK
You know that there's a seventh?

Sheik remains silent.

LINK
It's you, isn't it?

SHEIK
You must travel back in time to find the Sixth Sage.

LINK
But my items won't be with me when I travel back in time. How will I-

SHEIK
Listen to the "Requiem of Spirit."
this melody will lead a child back
to the desert.

EXT. DESERT COLOSSUS

Sheik plays the "Requiem of Spirit" on her harp. Link joins in on his ocarina immediately.

EXT. DESERT COLOSSUS

Sheik puts her harp away.

SHEIK
You and I are connected Link. Even
if you don't know what that
connection is.

She turns her back.

LINK
Don't bother. I'll save you the
trouble.

SHEIK
Link...

Link plays the "Prelude of Light" on his ocarina. He
DISAPPEARS.

CHAPTER THREE

EXT. TEMPLE OF TIME SANCTUARY

The Master Sword sticks into the Pedestal. WHITE LIGHT fills the room.

EXT. TEMPLE OF TIME SANCTUARY

Young Link takes out his ocarina and plays "Requiem of Spirit." He disappears.

INT. SPIRIT TEMPLE

The younger Link climbs up the stairs and sees NABOORU stand by the crawlspace. Her long red hair hides part of her face.

She turns to face Link.

NABOORU
How did you get here, kid?

LINK
I've got my ways.

NABOORU
Your "ways" huh? Doesn't matter.
I'm more interested in your "why"
than your "how."

LINK
Why? No reason.

NABOORU
You wouldn't happen to be one of
Ganondorf's followers would you?

Link clutches his boomerang behind his back.

LINK
I hate the guy.

NABOORU
Honest and brave. I think I like
you.

She holds out her hand.

NABOORU
Nabooru of the Gerudo, a lone wolf
thief.

LINK
And second in command to the King
of Thieves himself, I understand.

NABOORU
Don't get me wrong! I'm completely
different from Ganondorf. He stole
from women and children and even
killed people.

LINK
I know the treachery of Ganondorf
better than most. You don't need to
remind me.

She puts her hair up in a ponytail. Link now sees a scar on
her face.

NABOORU
You and I have something in common
then.

INT. SPIRIT TEMPLE

Nabooru and Link shake hands.

NABOORU
Link? What kind of a name is that?

LINK
It's-

NABOORU
Nevermind. I need to ask you a favor.

LINK
You must be pretty desperate to ask a stranger.

NABOORU
Do you think the rest of the Gerudo would agree to this? They'd impeach and kill me.

LINK
What do you want?

NABOORU
Go through this hole and get the Silver Gauntlets. A person can use them to push that block out of the way.

Link looks to the block.

LINK
Good, then I finally get in here.

NABOORU
Don't be ridiculous. They won't fit a kid like you. I want you to be a good boy and give them to me.

LINK
You know, I'm not as young as you think. Why should I give the gauntlets to you?

NABOORU
Because I will use them to steal all the treasure in the temple and mess up Ganondorf's plans.

LINK
What does Ganondorf want with this place?

NABOORU
An unknown treasure that could help bring him down.

She steps out of the way for Link.

NABOORU
What do you say?

INT. SPIRIT TEMPLE

Link begins to crawl through the hole.

NABOORU
You and I, let's give Ganondorf and his followers a big surprise, shall we?

LINK
I'll surprise him all right...

INT. SPIRIT TEMPLE MAIN HALL

Link pulls himself out of the crawlspace.

LINK
...by awakening the Sage of Spirit.

Link finds himself on the left side of a room with a huge statue similar to the one at the entrance of the temple. He sees a flight of stairs to his right and ascends them.

INT. SPIRIT TEMPLE MAIN HALL SECOND FLOOR

Link comes to the top level of the room. He looks to the other side and sees another staircase that looks exactly the same.

He sees a door near the wall. It opens and Lizardos step out. The door behind them closes and bars come down.

Link throws his boomerang but they knock it away. He reaches for the Master Sword but it's not sheathed to his back.

LINK
Not again.

A Lizardo jumps at Link, but misses. He steps away and fires his slingshot. The Lizardo drops his sword. Link picks it up and fights off both monsters. He defeats them.

INT. SPIRIT TEMPLE MAIN HALL SECOND FLOOR

The bars open on the door. Link opens it and walks in.

INT. SPIRIT TEMPLE STAIRCASE

Link goes up a number of stairs towards a door at the end.

INT. SPIRIT TEMPLE STAIRCASE

Link reaches the top and stops before the door. He huff and puffs as he opens it.

INT. SPIRIT TEMPLE THRONE ROOM

Link sees 4 pillars in front of a statue of a fully armored knight. Link walks towards it.

Suddenly the statued knight swings a huge AX at Link, he jumps out of the way.

The knight rises from its throne and walks at Link very slowly. The knight swings its ax and Link who ducks. The blade hits one of the pillars and KNOCKS it right over.

Link attacks with the Lizardo's sword, but it doesn't even dent the Knights armor. The ax swings at Link again, he jumps away and faces the Knight's back.

Link attacks and cuts the Knight's skin. The Knight turns around and kicks Link right to the ground.

INT. SPIRIT TEMPLE THRONE ROOM

The Knight looks right at Link's neck.

He raises the ax high over his head and brings it back down. Link moves out of the way.

The ax sticks into the ground. Link moves to the back and cuts the Knight in his weak point several times.

INT. SPIRIT TEMPLE THRONE ROOM

The Knight falls right onto its own ax and dies.

Link turns to the throne and sees it move away to reveal a new path.

Link takes that one.

EXT. DESERT COLOSSUS

Link comes out of a tunnel right above the statue's head. He stands on the actual Statue itself. A FLUTTERING sounds from above.

OWL (O.S.)

Hey Link.

Link looks up and sees the Owl fly in the sky.

OWL (O.S.)

Surprised to see me?

LINK (O.S.)

Actually not really. This is the past after all.

OWL (O.S.)

A long time in this world is almost nothing to you, is it? Even I thought that the tales of a boy who could travel back and forth through time was merely a legend.

LINK (O.S.)

Legend. That's what everyone wants to be. But now I know that legends are always formed out of blood and tears.

OWL (O.S.)

Link. You have fully matured as an adult. Maybe it's not my time anymore, but here is my last advice.

LINK (O.S.)

I could always use more of that.

OWL (O.S.)

Two witches inhabit this temple. In order to destroy them, turn their own magic power against them.

LINK (O.S.)
The two witches. Who are they?

OWL (O.S.)
The surrogate mothers of Ganondorf.

LINK (O.S.)
I shouldn't have asked.

OWL (O.S.)
You will be fine Link. And
remember, I will continue to watch
over you.

The Owl flies away.

EXT. DESERT COLOSSUS

Link sees a TREASURE CHEST APPEAR in front of him. He opens
it and finds the SILVER GAUNTLETS

A SCREAM sounds from below.

EXT. DESERT COLOSSUS

Kotake and Koume carry Nabooru out of the temple. A giant
SNAKE wraps around her waist.

NABOORU
Where are you taking me?

EXT. DESERT COLOSSUS

Link looks down at Nabooru.

LINK
No!

EXT. DESERT COLOSSUS

Nabooru looks up at Link.

NABOORU
Link, get out of here, now! These
witches are using black magic on
me.

The Snake bites her arm. Nabooru goes unconscious. She falls
into a hole in the ground and DISAPPEAR. Wind blows sand over
the hole.

EXT. DESERT COLOSSUS

Kotake and Koume walk back into the temple.

EXT. DESERT COLOSSUS

Link takes out the Ocarina of Time.

LINK
Hold on, Nabooru.

He plays the "Prelude of Light."

EXT. TEMPLE OF TIME

Link buries the silver gauntlets outside the temple.

INT. TEMPLE OF TIME SANCTUARY

Link pulls the Master Sword out from the stone. WHITE LIGHT
FILLS THE ROOM.

EXT. TEMPLE OF TIME

The adult Link digs near the ground. He finds the Silver
Gauntlets and puts them on.

CHAPTER FOUR

EXT. DESERT COLOSSUS

Link APPEARS near the entrance. He runs inside.

INT. SPIRIT TEMPLE

Link's newly gloved arms push the giant silver block away. He
continues to push it until he reaches a new room.

INT. SUN ROOM

Link sees a GIANT MIRROR reflect sunlight from an open
window.

A Statued Sun stands on a door with bars on it. Link walks
over to the door and reads the inscription.

LINK
"Show me the light?"

Link looks towards the mirror.

INT. SUN ROOM

Link grabs the mirror and turns it around until faces the door. The sunlight reflects onto the sun statue. The Sun LIGHTS up. The bars on the door release.

Link walks in.

INT. SPIRIT TEMPLE MAIN HALL

Link finds himself on the other side of the Main Hall. He turns to his left and ascends of a flight of stairs.

INT. SPIRIT TEMPLE MAIN HALL

Link sees a door with a keyhole on it. He turns behind him and looks the Giant Statue's open hand. He also sees a Triforce symbol on it.

He leaps towards the Statue's hand and lands on it.

INT. SPIRIT TEMPLE MAIN HALL

Link plays "Zelda's Lullaby" on his Ocarina. A TREASURE CHEST appears in the palm of the other Statue's hand.

INT. SPIRIT TEMPLE MAIN HALL

Link hookshots himself over to the other hand. He opens the treasure chest to find a key.

INT. SPIRIT TEMPLE MAIN HALL

Link uses the key on the locked door.

INT. SPIRIT TEMPLE TREASURE ROOM

Link enters a room with several Fire Slugs on the ground. FLAMES surround a floor switch.

Link kills the Fire Slugs. The flames around the floor switch disappear.

INT. SPIRIT TEMPLE TREASURE ROOM

Link steps on the floor switch. A large TREASURE CHEST APPEARS. He opens it and finds a MIRROR SHIELD. Link looks at it and sees his own reflection.

The door behind him opens. A Knight with an Axe walks in.

INT. SPIRIT TEMPLE TREASURE ROOM

Link dodges the ax and strikes at the open targets on the Knight. Within a matter of moments, Link defeats the Knight.

INT. SPIRIT TEMPLE TREASURE ROOM

Link exits through a door on the other side.

INT. SPIRIT TEMPLE STAIRCASE 2

Link walks up several flights of stairs. He comes to a door at the top.

INT. ROOM OF REFLECTION

An open window provides a view of the Giant Statue's face.

A Snake Mirror reflects sunlight from above. Link tries to move it but can't.

LINK
Too heavy even for the Silver
Gauntlets?

Link looks to the open window. He holds out his shield. Sunlight reflect off the mirror, off his shield, through the window...

INT. SPIRIT TEMPLE MAIN HALL

Sunlight shines on the Giant Statue's face. The face begins to crumble away and it reveals a TUNNEL.

INT. SPIRIT TEMPLE MAIN HALL

Link leaps onto one of the Statue's hands. He looks up to the tunnel where the face used to be, and sees a hookshot target inside.

INT. SPIRIT TEMPLE MAIN HALL

Link hookshots into the tunnel.

INT. SPIRIT TEMPLE TUNNEL

Link comes to a door at the end of the tunnel. He opens it and sees a POTION ROOM.

INT. SPIRIT TEMPLE POTION ROOM

Link sees tables of bubbling CHEMICALS. WITCHY LAUGHTER sounds. Link turns to see Koume and Kotake stir thick GREEN BUBBLING LIQUID in a cauldron. A GOLDEN KNIGHT stands behind the cauldron.

INT. SPIRIT TEMPLE POTION ROOM

Kotake and Koume look up at Link.

KOTAKE

Looks like someone is here, Koume.

KOUME

What an outrageous fellow he is, to intrude so boldly into our Temple.

LINK

Your temple? This temple belongs to the Sage of Spirit.

Link draws the Master Sword.

LINK

I'm here to give it back to her.

KOTAKE

We should teach this outrageous fellow a lesson.

They turn towards the Golden Knight.

KOUME

Loyal minion, destroy this intruder on our behalf.

Kotake and Koume VANISH.

INT. SPIRIT TEMPLE POTION ROOM

The Golden Knight comes to life. An AX appears in the armored hands.

The two battle it out. Link jumps, flips, and rolls out of the way. The Golden Knight can't keep up with Link as he uses superior in and out tactics.

Link knocks pieces of the armor off the knight, until only the helmet remains on its head.

Link snatches the Ax from the Golden Knight and uses it to push off the helmet. But Link drops the ax when he sees who was in the armor.

LINK
Nabooru?

NABOORU
Where am I?

She sees the helmet.

NABOORU
Break it, quick.

Link takes out the Megaton hammer and smashes it.

NABOORU
Thank you, whoever you-

She looks up at Link.

NABOORU
Oh Goddesses. I-

Koume and Kotake REAPPEAR

KOTAKE
Looks like she's back to normal.

KOUME
She's just a little girl, but she commands a lot of respect among the Gerudo.

KOTAKE
Maybe we should make her work for our son a little longer.

KOUME
Good idea.

Koume puts another golden helmet on Nabooru's head.

NABOORU

No!

Koume and Kotake DISAPPEAR.

INT. SPIRIT TEMPLE POTION ROOM

The armor pieces begin to FLOAT back at Nabooru. They stick to her body like Velcro. She pulls the helmet off.

NABOORU

Link, go to the next room and stop
the witches.

Link sees a crawlspace behind the cauldron.

LINK

Not without the sage of Spirit.

The helmet FLOATS back towards Nabooru's head.

NABOORU

Go!

The helmet reattaches itself to Nabooru's head. The other armor pieces reattach until she is once again the Golden Knight.

INT. SPIRIT TEMPLE POTION ROOM

The Golden Knight attacks Link. Link dodges the attack and dives through the crawlspace.

INT. SPIRIT TEMPLE SANCTUARY

Link climbs up a large platform. Images of snakes and pyramids decorate the room.

KOTAKE (O.S.)

That kid came on his own to
sacrifice himself for the great
Ganondorf.

Link sees Kotake and Koume FLOAT down towards him.

INT. SPIRIT TEMPLE SANCTUARY

Kotake's wand GLOWS. She points it at Link and a beam of BLUE ENERGY fires at Link. He blocks it with his mirror shield. The beam of energy deflects off the mirror's polished surface.

INT. SPIRIT TEMPLE SANCTUARY

Koume fires a BEAM of RED ENERGY from her wand. It hits Link in the back and knocks him off the platform. Koume LAUGHS.

CHAPTER FIVE

INT. SPIRIT TEMPLE POTION ROOM

The Golden Knight strikes its axe into the wall by the crawlspace. The ax actually begins to BREAK through the wall.

INT. SPIRIT TEMPLE SANCTUARY

Link tries to climb his way back up to the platform. Kotake floats down towards Link. She hits him with a blue energy beam. Link falls to the ground.

KOTAKE

Leave it to me, Koume.

INT. SPIRIT TEMPLE

Link takes out his bow and arrow. He fires an arrow right at Kotake's eye. She catches the arrow just before it renders her partially blind.

Kotake hurls the arrow right back at Link.

A TRIFORCE SYMBOL APPEARS on the back of Link's hand. But he only watches the arrow that comes right at him. Link doesn't even flinch.

The Arrow CRUMBLES into DUST.

KOTAKE

What?

INT. SPIRIT TEMPLE SANCTUARY

Link jumps up towards the platform and pulls himself up. Koume stands right in front of him. She shoots a red energy beam at him. Link deflects it with his shield.

OWL (O.S.)

Turn their power against them.

Link sees Kotake float near by. He shifts the angle of the shield and redirects the energy beam right into Kotake.

Kotake SCREAMS and falls to the ground. Koume jumps off the platform after her.

INT. SPIRIT TEMPLE SANCTUARY

Koume kneels beside her sister.

KOUME

Sister, no.

Kotake's body MELTS away.

KOUME

Kotake!

Nothing is left but Kotake's wand. Koume looks up to the platform to Link. She grits her teeth.

INT. SPIRIT TEMPLE SANCTUARY

Above the crawlspace, an ax begins to break through the wall.

Koume floats towards Link. She holds both wands in her hands. She blasts Link with both of them and knocks his shield away. She blasts him again and he falls to his knees.

KOUME

You deserve to die a worse death
than I can think of.

She blasts him again.

The Golden Knight BREAKS through the wall.

INT. SPIRIT TEMPLE SANCTUARY

The Golden Knight leaps onto the platform. Koume stands over Link's fallen body.

LINK

So why don't you kill me and get it over with?

KOUME

I would rather see you die by her hands. Since you seem to care even for a thief like her.

Link sees The Golden Knight approach.

LINK

Nabooru, no. You don't want to do this.

The Golden Knight continues to walk forward.

LINK

You said you were nothing like Ganondorf. If you kill me, you will be.

The hands on the ax tremble as the blade lifts high in the air. The Golden Knight sees the Silver Gauntlets on his hands.

The Golden Knight turns towards Link's fallen shield. But instead of it's own reflection, the Golden Knight sees Nabooru's face in the reflective surface.

KOUME

Minion.

The Golden Knight turns back towards Koume.

KOUME

Do my bidding or die.

INT. SPIRIT TEMPLE SANCTUARY

The Golden Knight swings the ax at Link, but it misses easily. Too easily. The ax actually knocks Kotake's wand from Koume's hands.

Link catches Kotake's wand and fires a blue energy beam at Koume. Koume screams and falls to the ground.

INT. SPIRIT TEMPLE SANCTUARY

Koume's body melts away. The armor on the Golden Knight CRUMBLES into nothing until it is Nabooru that stands there. She catches her breath and looks at Link.

NABOORU

You. It is you, kid. You've become a competent warrior in just seven years.

LINK

I actually didn't get much practice in those seven years.

NABOORU

I'm sure you spent those years better than I did. I really messed up.

LINK

You were taken control of. But what matters is that you got it back.

WHITE LIGHT fills the room.

INT. CHAMBER OF THE SAGES

Link and Nabooru APPEAR.

NABOORU

But isn't it funny that a person like me could turn out to be the Sage of Spirit?

LINK

Now is your chance to get back at the person who did this to you.

AN ORANGE MEDALLION drops from the sky. Link catches it.

NABOORU

Kid-no, Link, the Hero of Time. From here on in, I promise that the Gerudo will have more respect for men.

LINK

And I promise you that I have a newfound respect for your people. May the peace last forever.

Link and Nabooru shake hands.

NABOORU

If only I knew you would become such a handsome man.

INT. CHAMBER OF THE SAGES

The other sages appear one by one.

IMPA
Well done.

RUTO
Just as I expected.

DARUNIA
Amazing job, brother.

SARIA
Link the hero!

RAURU
Finally, we, the six sages, have
been awakened.

IMPA
The time for the final showdown
with the King of Evil has come.

RAURU
Before that, though, you should
meet the one who is waiting for
you.

SARIA
The one who is waiting at the
Temple of Time.

WHITE LIGHT fills the room.

CHAPTER SIX

INT. TEMPLE OF TIME

Link walks into the temple.

SHEIK (O.S.)
I have been waiting for you, Link.

Link turns to see Sheik stand at the doorway.

LINK
Sheik, so it is you.

SHEIK
Did I disappoint you?

LINK

No it's just...

SHEIK

I understand. It's not important right now. What matter is your final showdown with the King of Evil, Ganondorf.

LINK

Then let's do it. We have all seven sages.

SHEIK

Not yet. I promised you answers. It's time for me to give them to you.

LINK

Start by telling me how I stopped an arrow with just my mind.

SHEIK

That is another legend passed down by the Sheikahs. The Triforce is a balance of power, wisdom, in courage.

LINK

Ganondorf has all those powers?

SHEIK

No. Ganondorf's heart was not in balance. He only got one part of the Triforce, the part he believed in most.

LINK

Power.

SHEIK

Yes. But even the power given to him by the Triforce is not enough for his ambitions.

LINK

He wants the other two Triforce parts. Where are they?

SHEIK

One is in you, Link.

INT. TEMPLE OF TIME SANCTUARY

Link and Sheik walk into the Sanctuary.

LINK

So that's how I stopped the arrow?
I bear the Triforce of Courage?

SHEIK

Yes. And the other who holds the
Triforce of Wisdom, the Seventh
Sage destined to lead them all...

Sheik's gloves slide off her hands to reveal WHITE GLOVES underneath. Sheik takes off one of the gloves to reveal a GLOWING TRIFORCE SYMBOL on her right hand.

Her clothes CHANGE from BLUE TO PINK. The stealthy uniform becomes A FLOWING DRESS. Her veil comes undone and falls off and reveals her long blonde tresses. Her eye color CHANGES to blue.

Link's mouth DROPS as beholds not Sheik, but Zelda. He falls to his knees.

She goes over to him and picks him back up.

ZELDA

Haven't I told you not to do that?

She throws her arms around him.

CHAPTER SEVEN

INT. TEMPLE OF TIME SANCTUARY

Zelda and Link embrace.

LINK

It's you? It's really you?

ZELDA

I wanted to tell you so many times.
But I couldn't risk Ganondorf
finding me.

LINK

You were with me all along. Somehow
I knew it, I just...

Tears stream down his face.

ZELDA
it's over now. No more secrets, no
more disappearances. Now you learn
the truth.

FLASHBACK IN

EXT. HYRULE CASTLE GATE

Zelda throws the Ocarina to Link.

ZELDA (O.S.)
When I last saw you, I knew we
weren't going to be together much
longer. I thought the Ocarina would
be safe with you.

FLASHBACK OUT

INT. TEMPLE OF TIME SANCTUARY

Link and Zelda hold each other's hands.

LINK
I let you down, didn't I

ZELDA
Don't ever think that. I never
thought that Ganondorf could enter
the Sacred Realm. And I never
thought you'd be sealed away for
seven years.

LINK
Seven years without me, and do you
still...?

ZELDA
I would have waited a lifetime for
you, forever. I just hoped that
when I saw you again, you would
forgive me.

LINK
Forgive you? For what?

ZELDA
I took away seven years of your
life, caused you so much pain.

LINK
None of that matters now. We're
together again.

He kisses her.

ZELDA
I love you.

LINK
I love you.

They clutch each other close.

ZELDA
And now we can finally end the dark
age that Ganondorf began.

INT. TEMPLE OF TIME SANCTUARY

Zelda holds out both hands. GOLDEN ARROWS appear in her hand.

ZELDA
This and the Master Sword will hold
Ganondorf at bay while the Six
Sages send Ganondorf into the void.

Link takes the arrows.

ZELDA
I will then seal the door to the
Sacred Realm from this world.

LINK
And Ganondorf will be gone from
Hyrule.

The GROUND SHAKES.

GANONDORF (O.S.)
You think so.

ZELDA
No, it can't be.

A CRYSTAL PRISON forms over Zelda.

GANONDORF (O.S.)
Princess Zelda. I commend you for
avoiding my pursuit for seven long
years. But you let your guard down.

LINK
Let her go.

GANONDORF (O.S.)
Thanks to you again, boy. I knew
she would appear if I let you
wander around.

LINK
No. Ganondorf take me, I'm your
enemy.

GANONDORF (O.S.)
A generous offer, but no. I will
find more immediate use of the
Triforce of Wisdom.

Link bangs on the Crystal Prison. Not even a single scratch.

LINK
Don't underestimate me. That's
gotten you into trouble before.

Zelda's prison rises towards the ceiling.

GANONDORF (O.S.)
It was not your power I misjudged,
but the power of the Triforce of
Courage. Why not prove you are
worthy of it, by coming to my
castle and trying to save the
princess?

LINK
Count on it.

Zelda DISAPPEARS. Ganondorf's LAUGH SOUNDS.

CHAPTER EIGHT

INT. TEMPLE OF TIME SANCTUARY

Link loads the golden arrows into his quiver. He slides his
hookshot into his belt, and puts some bombs into his pouch.

EXT. TEMPLE OF TIME

Link walks outside. He draws the Master Sword and looks at
it.

LINK
One more time.

EXT. GANON'S CASTLE

Link stands before the dark tower. He sees no bridge to the entrance.

The TRANSPARENT IMAGES OF THE SIX SAGES APPEAR before Link. He looks at each one of them.

RAURU

It was once said to you Link that
this is your fate and your
opportunity. I am here to tell you
that it can only be one or the
other.

DARUNIA

But it's for you to decide which it
is, Brother.

RUTO

Be safe.

NABOORU

Clever.

IMPA

Swift.

SARIA

Be yourself.

She smiles at him.

RAURU

We six will gather our power to
create a bridge.

They all turn towards the castle and stretch out their arms.
A MULTICOLORED BRIDGE APPEARS.

EXT. GANON'S CASTLE

Link takes the bridge.

SAGES

Good luck Link.

They fade away.

INT. THRONE ROOM

Ganondorf grips Zelda by the throat.

GANONDORF
Keeper of the Triforce of Wisdom?
No one was stupider than you were;
trusting a Sacred Treasure to a boy
like that.

INT. GANON'S CASTLE TOWER ENTRANCE

An army of Moblins, Stalfos, just about every monster Link has fought waits by the gate.

Link cuts through every single one of them in record time.

INT. GANON'S CASTLE TOWER ENTRANCE

Link walks to a door with a symbol of desert on it.

INT. SPIRIT ROOM

Link finds himself in a room with a Sun Statue. He looks above him to see SPIDER WEBS cover a hole in the ceiling.

INT. SPIRIT ROOM

Link shoots a fiver arrow at the web and BURNS it. LIGHT POURS through.

Link uses his mirror shield to reflect light into the Sun Statue. The Statue LIGHTS up.

BARS release on a door with a symbol of a tree. Link opens that door.

INT. THRONE ROOM

Ganondorf throws Zelda down to the ground.

GANONDORF
Did you really think that the two
of you would kill me and live
happily ever after? Nothing can
ever be as it was, even if you were
to destroy me.

INT. FOREST ROOM

Link faces a circle of candles. A COYOTOS lies on the ground. It sees Link and Growls. Link keeps walking forward.

The Coyotos lunges. Link steps out of the way. He uses Din's fire to light the candles and kill the Coyotos.

BARS RELEASE on a door with an OCEAN symbol.

INT. THRONE ROOM

Zelda lies on the ground. Ganondorf walks towards her.

GANONDORF

I will ask you only once to give me
the Triforce of Wisdom.

ZELDA

You want it. You've got it.

Zelda thrusts her right hand out towards Ganondorf. A WHOOSH sound. He falls right into his throne and CRASHES into it.

INT. ICE ROOM

Link finds himself in a frozen room. ICICLES drop at him. He rolls out of the way and right at Frozen Deku Scrub. Link cuts it down with his sword.

INT. ICE ROOM

Link uses his blue candle to melt the ice over a door with a SKULL symbol.

INT. THRONE ROOM

Ganondorf lies on the ground near his demolished throne. He and Zelda both rise.

GANONDORF

So she's got some fight in her
after all. Good I was afraid that
this would be boring until Link got
here.

Zelda extends her hand and a THUNDERBOLT shoots at Ganondorf. It just barely misses.

A FIREBALL appears in the palm of his hand. He throws it at Zelda. It hits her and electricity flows all over her body. She SCREAMS. Ganondorf LAUGHS.

INT. SHADOW ROOM

Link runs up several flights of stairs. Keese fly at him, but he kills them with his hookshot.

INT. SHADOW ROOM TOP FLOOR

Link sees a huge cliff in front of him. Another cliff lies on the other side. Link sees a candle on it.

INT. SHADOW ROOM TOP FLOOR

Link fires a fire arrow at the candle. An ICY BRIDGE APPEARS. Link crosses it.

INT. SHADOW ROOM TOP FLOOR

The candle burns out. Link makes it to the other side and one second later, the icy bridge disappears. Link sees a door with a symbol of a FLAME. He opens it but it won't budge.

INT. SHADOW ROOM TOP FLOOR

Through the Lenses of Truth. Link sees two treasure chests; one big one small. He opens the big one and finds a pair of GOLDEN GAUNTLETS.

INT. SHADOW ROOM TOP FLOOR

He finds a key the other chest.

INT. GANON'S CHAPEL

Stained glass windows of Ganondorf's biggest monsters, line the room. A staircase leads up to a trap door in the ceiling.

Ganondorf lays Zelda's unconscious body on a dark ALTAR. He goes over to an ORGAN and plays it.

INT. FIRE ROOM

Link faces a huge pool of LAVA. He sees a RAFT in front of him, and a platform to his left.

INT. FIRE ROOM

Link dons the Goron Tunic and jumps on the raft. It begins to sink towards the bubbling lava. Link jumps right onto the platform. He faces an ENORMOUS BLOCK and tosses it in front of the dock.

INT. FIRE ROOM

Link sees a rusted floor switch on the ground that the BLOCK once stood on. He strikes it with the Megaton hammer.

The Bars release on a door with a symbol of the SUN.

INT. LIGHT ROOM

Link faces a door with a padlock over it. He sees a block nearby with the image of the Door of Time. Link takes out his ocarina and plays "The Song of Time."

The block DISAPPEARS but doesn't reveal anything.

INT. LIGHT ROOM

Link puts on the Lenses of Truth. He sees a key on the ground.

INT. LIGHT ROOM

Link unlocks the door. He opens it and sees a Moblin right behind it. Link jumps away from it and shoots it with A GOLDEN ARROW. The Moblin falls as if hit by a thunderbolt. It dies immediately.

INT. LIGHT ROOM

Link walks inside the next door.

INT. GANON'S CASTLE STAIRWELL

Faint ORGAN music sounds. Link ascends a HUGE FLIGHT of stairs. He sees Lizardos and Stalfos stand in front of them, he fights them off quickly and keeps moving.

INT. GANON'S CASTLE STAIRWELL

The music grows louder as Link climbs higher. Link comes to the end and opens a door.

INT. THRONE ROOM

Two Knights stand guard by a door to the left of Ganondorf's demolished throne. Link enters from a door on the other side. They surround Link and everywhere he turns an ax blade swings at him.

INT. THRONE ROOM

Link backflips away from the two Knights. Link takes out his bow and fires two Golden arrows at the same time. They pierce right through their armor and kill them.

INT. THRONE ROOM

Link can now hear the organ music louder than ever. It gets louder as he walks over to a door and opens it.

CHAPTER NINE

INT. GANON'S CHAPEL

Link walks in and sees Zelda lie on the altar.

LINK

Zelda.

Her Triforce symbol glows as does Link's. The music stops.

GANONDORF (O.S.)

The Triforce parts are resonating.
They are combining into one again.

Link turns to see Ganondorf at his organ. The King of Evil does not turn around.

GANONDORF

The two Triforce parts that I could not capture on that day seven years ago. I didn't expect they would be hidden within you two.

LINK

Well I'm just full of surprises,
GanonDORK.

GANONDORF
As am I. Ask your mother and
father.

LINK
You killed them.

GANONDORF
Just as I will kill you. Only first
I will rip that Triforce of Courage
right from you.

Link draws his Master Sword.

LINK
My mother saved me on that day,
because they knew this day was
coming.

Ganondorf LAUGHS.

GANONDORF
Wasted effort.

He turns towards Link and shows his glowing Triforce of Power
Symbol. He draws his sword and attacks.

SPARKS FLY as their blades clash together. The two of them
sword fight all over the place, on top of the organ, up and
down the stairs. Until Ganon's sword pierces Link right
through the stomach.

He falls to the ground.

INT. GANON'S CHAPEL

Ganondorf looks at Link's sword on the floor.

GANONDORF
The Master Sword. The Blade of
Evil's bane.

He kicks it away from Link.

GANONDORF
How can something be the bane of a
King of the Universe?

Link crawls away from him.

LINK
You will...never be King.

GANONDORF
There's no fairy to save you now,
boy. You failed her, failed the
Deku Tree...

He turns towards Zelda.

GANONDORF
...And now you've failed your
precious Princess; the last remnant
of a lost Hyrulian age.

Ganondorf turns to Zelda's body and holds the sword over her head.

GANONDORF
Now that age dies!

LINK
No!

He fires a Golden Arrow into Ganondorf's back. The King of Evil drops his sword and falls to his knees.

Link GRUNTS as he picks himself up.

GANONDORF
The Great Evil King
Ganondorf...Beaten by this kid?!
Link?

He picks himself off the ground.

GANONDORF
Not a chance. Did you really think
it would be so easy to-

Ganondorf's blood drips on the ground. He slowly falls.

INT. GANON'S CHAPEL

Link limps over Zelda's body and carries her on his shoulders. He brings her over to the stairs.

EXT. GANON'S CASTLE TOWER

Link carries Zelda to the top. He takes out the RED POTION and feeds it to Zelda.

LINK
Come on, please.

Nothing happens.

LINK
Zelda...

He bows his head.

ZELDA (O.S.)
Link?

Link sees her stir. She sees his wound.

ZELDA
You're hurt.

She places her hand over his wound. It HEALS UP. They smile at each other.

Ganondorf's LAUGH sounds.

Link turns to see Ganondorf come up the stairs. The King of Evil SCREAMS as he pulls the golden arrow out from his back. He SNAPS the arrow right in half.

EXT. GANON'S CASTLE TOWER

Link hands Zelda his bow and quiver.

LINK
I always new that we were meant to
finish this together.

They nod to each other, then turn to face Ganondorf. He forms a FIREBALL in his hand. Then throws it right at Zelda.

Link swings the Master Sword and redirects the projectile right back at him. Ganondorf catches the fireball and throws it right back. The two go back and forth until Ganondorf gets hit.

GANONDORF
Oooh, aah! That feels so good.

He holds both hands in the air. A HUGE DARK FIREBALL forms.

Zelda takes aim with her bow and arrow. The golden arrow GLOWS with PURE LIGHT.

She releases the arrow and it flies right at Ganondorf.

It HITS HIM. AN EXPLOSION OF LIGHT knocks Ganondorf right to the ground. He CRIES OUT as he writhes on the ground.

Link jumps down and stabs the Master Sword into Ganondorf's chest. Ganondorf looks up at the Hero of Time.

LINK
That was for Zelda.

He removes the sword from Ganondorf's body. The Evil King coughs up blood. His body goes limp.

INT. GANON'S CASTLE TOWER

Zelda comes over to Link.

ZELDA
Ganondorf...pitiful man. Without a strong, righteous mind, he could not control the power of the gods..and-

Suddenly the TOWER SHAKES.

INT. GANON'S CHAPEL

Bars come down on the door.

INT. GANON'S CASTLE TOWER

Zelda takes Link by the hand and leads him towards the stairs to Ganon's chapel.

LINK
What's happening?

ZELDA
With his last breath, Ganondorf is trying to crush us in the ruins of the tower. Hurry.

Zelda leads him down the stairs.

CHAPTER TEN

INT. GANON'S CHAPEL

Zelda and Link stand before the barred doors. Zelda raises her hands up, as she does, the bars release. The two walk inside.

INT. THRONE ROOM

A wall of FIRE surrounds Zelda. Link sees two knights APPEAR in front of him. DEBRIS falls from the ceiling as Link fights them.

INT. THRONE ROOM

Link kills the Knights off with a Magic Spin. The wall of fire releases on Zelda. The two of them hug.

ZELDA
Come on, we have to hurry.

INT. GANON'S CASTLE STAIRWELL

Link and Zelda hurry down the stairs. Debris falls everywhere.

EXT. GANON'S CASTLE

Monsters run out, but the castle begins to CRUMBLE. Pieces of the castle fall and crush them.

EXT. GANON'S CASTLE

The Castle falls to pieces. Link and Zelda run out just in time. A piece of the castle falls right on them. Link raises his Mirror Shield and blocks it.

EXT. RUINS OF GANON'S CASTLE

Only a few pillars and pile of stones remain of the once evil tower.

ZELDA
It's over. It's finally over.

She leans her head on his shoulder.

LINK
Have you ever considered a vacation.

ZELDA
Vacation? There's a kingdom to rebuild. If it ever can be rebuilt.

LINK
Why would you even say that? Of
course it can.

A POUNDING NOISE sounds from under the bricks.

ZELDA
What is that?

EXT. RUINS OF GANON'S CASTLE

Link goes over to the pile of bricks. Ganondorf emerges from them. He GASPS for breath, but shows his Triforce Symbol to Link.

Link draws the Master Sword.

Ganondorf's body GROWS to a massive size. SPIKES begin to poke out of his arms. His eyes GLOW YELLOW. A SPIKED TAIL springs out of his lower back. Horns TWIST out of his head.

LINK
Ganondorf?

GANONDORF
The name is Ganon.

Giant swords appear in Ganon's hands.

EXT. RUINS OF GANON'S CASTLE

Zelda takes aim with her bow. A HUGE WALL OF FIRE surrounds Link and Ganon. Zelda steps back.

Ganon knocks the Master Sword from Link's hand. It flies through the air and sticks into the ground right by Zelda.

Ganon roars and strikes at Link. He rolls away from it and fires his hookshot, but the hook breaks on impact with Ganon's head.

Ganon kicks Link right to the ground. He lands right by the wall of fire. Zelda SCREAMS.

EXT. KAKARIKO VILLAGE

The people can see Ganon from the village. They COWER and pray.

VILLAGER 1
Goddesses save us.

EXT. RUINS OF GANON'S CASTLE

Link just barely sees Zelda through the fire.

LINK
Zelda, the sword.

ZELDA
The sword is not the hero, Link.
You are.

Ganon takes another swing at Link. He dodges it.

GANON
No sword, no hero, no princess, nor
any Triforce can beat Ganon.

Link hits Ganon in the foot with the Megaton hammer. It has no effect.

GANON
You see my point?

Ganon whips his tail at Link. Link swings the Megaton hammer and hits the tail.

Ganon SCREAMS.

LINK
Yes, thank you.

EXT. RUINS OF GANON'S CASTLE

Ganondorf swings both swords at Link, he rolls underneath them and through Ganon's legs. Link again attacks the tail with the Megaton hammer.

Ganon falls to the ground.

The wall of fire disappears.

ZELDA
Link.

He goes over to the Master Sword and pulls it out of the ground.

Zelda's Triforce Symbol glows.

ZELDA
Just hold him off for a little
longer.

Ganon rises.

ZELDA
Leap over him.

LINK
I can't-

ZELDA
Just trust me.

EXT. RUINS OF GANON'S CASTLE

Link runs at Ganon with sword in hand. He leaps into the air. Zelda closes her eyes and holds out her right hand.

Link FLOATS right over Ganon's head and lands on the ground behind him. He draws his sword and SLICES GANON'S TAIL in half. Ganon falls to the ground.

Zelda points at Ganon, a BEAM OF LIGHT shoots out from her fingertip and hits the beast. Ganon can't move.

ZELDA
I can't hold him for long. You use
your sword and deliver the final
blow.

Link cuts Ganon's face again and again.

EXT. RUINS OF GANON'S CASTLE

Ganon's yellow eyes stare at Link. The hero holds his sword high over his head.

LINK
And this is for Hyrule!

He plunges the sword into Ganon's head. Ganon WRITHES on the ground.

EXT. RUINS OF GANON'S CASTLE

Link pulls the sword out and watches Ganon SHRINK back into Ganondorf.

Zelda raises her hands in the air.

ZELDA
Six sages now!

A BEAM OF LIGHT APPEARS over her head.

EXT. CHAMBER OF THE SAGES

Rauru joins hands with the other sages.

RAURU
We, the Six sages command you.

SARIA
Forest.

DARUNIA
Flame.

RUTO
Water.

IMPA
Shadow.

NABOORU
Spirit.

RAURU
Light.

EXT. RUINS OF GANON'S CASTLE

The transparent images of the six sages surround Ganondorf.

RAURU
Ancient creators of Hyrule. Seal
this evil King in the dark void
where he belongs.

Each sage stretches out their hands. Light flows from them
and into Ganondorf.

GANONDORF
Noooooooooooooooooooo!

EXT. VOID

Ganondorf plummets into the pale white nothingness.

GANONDORF
Damn you sages. Damn you Zelda.
Damn you Link!

He descends even lower.

GANONDORF
Some day when this seal is broken,
that is when I will exterminate
your descendants.

He's gone.

GANONDORF (O.S.)
As long as the Triforce of Power is
in my hand...

CHAPTER ELEVEN

INT. KAKARIKO VILLAGE

The people look towards the ruins of the tower. They see the
DARKNESS FADE away to reveal a clear blue sky.

The people CHEER.

EXT. CHAMBER OF THE SAGES

The Sages reappear.

RAURU
We did it.

SARIA
Ganondorf is gone.

DARUNIA
I know he'd stop them.

NABOORU
I always knew that kid had
something special.

RUTO
Hyrule is safe once again.

IMPA
And the Princess.

Zelda appears before the chamber. She kneels before them.

ZELDA
I think you on behalf of Hyrule
Kingdom. Peace will once again
reign in this world...for a time.

RAURU

Zelda. You know what you must do now.

ZELDA

Please. He's been through so much.

RAURU

It is only fair to him.

Zelda turns to Impa.

IMPA

This time I cannot tell you what to do.

RAURU

She already knows.

Zelda closes her eyes. She DISAPPEARS.

EXT. HYRULE FIELD

Link sees Zelda appear in front of him.

LINK

Zelda!

He runs to her and lifts her into the air. Zelda LAUGHS.

EXT. HYRULE FIELD

Link puts her down and kisses her.

LINK

Now finally we can be together.

She looks away from him.

LINK

Zelda? Sweetheart what's wrong?

Tears well up in her eyes.

ZELDA

All the tragedy that has befallen Hyrule was my fault.

LINK

Don't you say that. You were too young to comprehend the consequences of your actions.

ZELDA

I dragged you into it too. Now its time for me to make up for my mistakes.

LINK

Zelda, you're scaring me.

ZELDA

You must lay the Master Sword to rest and close the Door of Time.

LINK

But if I do that I'll-

ZELDA

You will close the road between times.

LINK

That's okay by me.

ZELDA

No it isn't. Give the Ocarina to me. As a sage I can return you to your original time with it.

LINK

No. If I do that, then...

ZELDA

I'm sorry...

LINK

After all this time apart, you're telling me we have to say goodbye. This time for good?

ZELDA

I don't know what to say.

LINK

Say that you love me and I don't have to do this.

She holds him close.

ZELDA

I do. And if I keep you here, I'll just be selfish. You deserve so much more than I can give.

He cries on her shoulder.

EXT. HYRULE FIELD

Zelda looks at Link and tears well up in her eyes.

ZELDA

It's destiny, Link. From the day we met at the garden every step was towards this. Peace returns to Hyrule and we say goodbye.

She strokes his face.

LINK

This isn't fair.

ZELDA

My father once told me that it isn't about what's right and fair. Now I understand what he meant.

ZELDA

Now please, do as I have asked.

LINK

No.

ZELDA

I command you as the Princess of Hyrule.

LINK

No.

ZELDA

I ask you as Zelda, the woman you love.

Link takes out his Ocarina and gives it to her. She places her hand over his. She holds onto it for dear life.

ZELDA

Now go home, Link. Regain your lost time at the place where you belong.

LINK
I've only ever felt like I've
belonged with you.

ZELDA
Goodbye and Thank you, Link. Before
it's too late.

LINK
Zelda.

Zelda plays the "Song of Time."

LINK
Zelda!

She doesn't stop. He turns and runs away and doesn't look
back.

INT. TEMPLE OF TIME SANCTUARY

Link places the sword in the pedestal.

EXT. HYRULE FIELD

Zelda stops playing. She bursts out into tears.

EXT. LON LON RANCH

All race of Hylians dance around a huge FIRE. Talon and Ingo
shake hands.

Malon stands beside Epona and sings.

King Zora and Mido sit away from the celebration. They look
down at the ground.

SHOOTING STARS head towards Death Mountain.

EXT. DEATH MOUNTAIN PEAK

The Shooting stars land on the peak. They turn into the Six
Sages. Each of them gaze at the new Hyrule.

EXT. TEMPLE OF TIME

The Door of Time closes. WHITE LIGHT FILLS the room.

SARIA (O.S.)
Link...

EXT. LINK'S HUT

Young Link stands at the entrance to his old home. He turns to see Saria walk towards him.

SARIA
Yahoo! Hi Link!

LINK
Saria.

He jumps down.

EXT. KOKIRI FOREST

Link hugs Saria.

SARIA
Link, what's wrong? You look kind of sad.

NAVI (O.S.)
He was probably up too late last night, lazy boy.

LINK
Navi?

Link turns to see Navi fly ahead.

LINK
Navi, you're okay!

NAVI
Of course I am, why wouldn't I be?

SARIA
She's upset that she still doesn't have a Kokiri boy to guard yet.

LINK
I'm sure there's one around.

NAVI
Well if either of you see the Great Deku Tree, let him no.

LINK
The Great Deku Tree? I have to go
see him.

SARIA
Why?

LINK
I just need to be sure of
something.

EXT. PATH TO DEKU TREE

Mido blocks the way. Saria and Link come by.

MIDO
Well if isn't "Mr. No Fairy."

LINK
Mr. No Fairy wants to see the Deku
Tree.

MIDO
What why should I let you-

He looks at Saria.

MIDO
Okay, go on ahead.

Link walks past him.

EXT. DEKU TREE LAIR

Link walks over to the Tree. It looks very happy.

DEKU TREE
Ah, Link. Good to see you.

LINK
You have no idea how good it is to
see you.

DEKU TREE
As a matter of fact I do, Hero of
Time.

LINK
You...you know, somehow.

DEKU TREE

The Princess sent you back to a different world, where Ganondorf never existed.

LINK

If Ganondorf never existed, than that might mean...

DEKU TREE

You'll have to go and find out.

EXT. CASTLE COURTYARD

Zelda picks out a flower and smells it. She hears FOOTSTEPS up ahead.

Link walks in. They stare at each other and smile.

FADE OUT
